AdvocacyWorx

(formerly Community Advocates of Montgomery County)

Adult Peer Support and Advocacy Program

A peer advocacy team working together to help individuals using behavioral health services to resolve problems, learn self-advocacy, and effect systems change

All services at AdvocacyWorx are provided free of charge

WHAT WE DO:

- **Support individuals with resolving any issues related to community living, including problems with service providers, landlords, roommates, utility companies, etc.**
- **Provide resources and support to help individuals know their rights and self-advocate to resolve issues**
- **Provide self-advocacy trainings to individuals and groups**
- **Assist individuals who are involved with both the behavioral health and criminal justice systems**
- **Provide forensic advocacy and education classes at MCCF and in the community**
- **Participate on relevant committees and boards in order to effect systems change**
